Academic Objective

Aspiring postgraduate student with strong technical and analytical skills, seeking to pursue a Master's degree in Information Technology/Computer Science in Australia. Brings hands-on experience in full-stack development, introductory machine learning, and software engineering, with a strong commitment to academic growth, research engagement, and advanced technological innovation.

Technical Skills

Backend: Node.js, Express

Frontend: React.js, Next.js, JavaScript, HTML, CSS

Databases: MongoDB, PostgreSQL, MySQL

Tools & Platforms: Git, GitHub, VS Code, Jupyter Notebook

Machine Learning: Python, Deep Learning, Data Analysis

Cloud & Deployment: AWS (EC2, RDS, S3, CloudFront), Vercel, Linux

Experience

Full Stack Intern – Hivecraft Tech Pvt. Ltd., Nepal

Nov 2023 – Feb 2024

- Developed backend APIs using Node.js and Express for the *Patriot Pulse* platform.
 - Contributed to React-based frontend enhancements and analytics dashboards.
 - Assisted with debugging, testing, and code reviews to ensure platform reliability.
-

Education

BSc. Computer Science and Information Technology (BSc.CSIT)

Samriddhi College, Lokanthali

2020 – 2024 | Overall Percentage: 83.13%

Higher Secondary Education (Science)

CCRC, Balkumari

2017 – 2019 | GPA: 3.59

Secondary Education Examination (SEE)

Udayasi English School

2017 | GPA: 3.65

Selected Projects

Patriot Pulse (MERN Stack): Election management platform with secure authorization, analytics dashboards, and optimized database workflows. (HiveCraft project)

E-commerce Platform: MERN-based system with Stripe payments, JWT authentication, and admin dashboard.

CV Builder App: React + Material UI app with real-time preview and PDF export.

Sticky Note App: Drag-and-drop React application with local storage integration.

Machine Learning Models: Customer churn prediction and 5G service area prediction using deep learning techniques.

Research Interests

- Web Application Development
 - Machine Learning & Predictive Modelling
 - Cloud Computing
 - Data-Driven Systems
-

Certifications & Awards

- CISCO Networking Certificate
 - NEXT.js Training Certificate
 - MERN Stack Course – Broadway Infosys
 - TECHTRIX Hackathon Participant
-

Languages
